

PRESENT PERFECT CONTINUOUS

2) depends on source of the present effect

A) Effect from the action itself

simple - i'm not hungry because i've already eaten.

B) Effect from duration of action

continuous - i'm tired because i've been shopping all day

3) Duration of actions

I've been living in Italy since 2006

They've been playing football for 16 years

BUT: they've known each other for 2 months

Hi Clarie!

Thanks for the photos of your trip to Nice.

have never been (never/be) there.

you ever been (ever/be) to Scotland? I

went (go) there last summer and it was amazing!

i have never seen (never/see) such beautiful scenery. We

climbed

(climb) mountains and _walked_ (walk) around huge lakes that the Scottish people call lochs. _you ever heard_ (you/hear) of the tale of the loch Ness monster?
